**19/170 POWYS COUNTY COUNCILLOR -** Cllr W Powell forwarded an update in advance of the meeting reporting the following:

Cllr Powell reminded colleagues that the previous month had seen the publication by Estyn of its inspection findings on PCC Education Department, followed by an all member seminar to discuss the way forward, in the light of criticism and feedback received. He had outlined the summary of the report in his Sept update for Town Council colleagues and as they are contained in the Minutes of our September meeting, he did not repeat the preamble, but just the key recommendations:

- R1 Improve standards in secondary schools, and especially the performance of more able learners
- R2 Improve the evaluation, planning and coordination of provision for learners with special educational needs and other pupils who may require extra support
- R3 Improve the consistency and impact of senior leaders in improving the quality of education services and continue to strengthen the rigour, scrutiny and challenge about performance of the authority's services
- R4 Ensure that the organisation of provision for non-maintained, post16; Welsh medium education and secondary education meets the needs of the children and young people of Powys
- R5 Continue to improve the quality of financial management in schools and take appropriate action to address schools with significant deficit budgets

As reported last time, the Welsh Liberal Democrat and Green Group, with the support of both Welsh Labour and Plaid Cymru, called for a special meeting of the County Council, in open session, to discuss these matters, rather than the closed seminar approach, which was previously adopted. As Cllr Powell mentioned previously, it was widely believed that the position of the current Cabinet Member, Cllr Myfanwy Alexander (Ind) was untenable. A motion of no confidence was tabled in Cllr Alexander and a Special Meeting arranged. However, the Leader, Cllr Rosemarie Harris, received resignations of two other Cabinet Members, Cllrs Martin Weale and Stephen Hayes. She then undertook a significant reshuffle and moved Cllr Alexander to a new portfolio of Adult Social Care, together with several other moves and new appointments. The Special Meeting was postponed, as the news was digested – but Full Council takes place the following day, when these matters will be fully aired. In the meantime, whilst details of the areas of responsibility are being worked up, the new outline of the PCC Portfolios is as follows:

- Cllr Rosemarie Harris, Leader
- Cllr Aled Davies, Deputy Leader and Portfolio Holder for Finance, Countryside and Transport
- Cllr Myfanwy Alexander, Portfolio Holder responsible for Adult Social Care and Welsh Language
- Cllr Graham Breeze, Portfolio Holder responsible for Corporate Governance and Engagement
- Cllr Phyl Davies, Portfolio Holder responsible for Education and Property
- Cllr James Evans, Portfolio Holder responsible for Economic Development, Housing and Regulatory Services
- Cllr Heulwen Hulme, Portfolio Holder responsible for Environment
- Cllr Rachel Powell, Portfolio Holder responsible for Young People and Culture

The early autumn had been a busy one in terms of casework, especially around highways, housing and social care issues, and in some cases, where appropriate, Town Council had been cc'd into email exchanges.

**RESOLVED: To move Standing Orders 15 minutes to 9.15pm**

There are some outstanding items however these will be completed by Alun Griffiths over the coming weeks.

Due to the predicted impact of the footpath works on resident properties and retaining walls PCC has chosen to remove these from the contract with Alun Griffiths; and an alternative, less intrusive surface course will be laid. **High Street issues** – E-mail request received from John Williams, Old Paper Shop, High Street, asking that if the Town Council is looking at this matter again, he suggests that we should ask PCC to undertake a full risk assessment to review all the safety issues in the area, rather than lobbying for the sort of ad hoc tinkering that we have suffered from, in the past. These comments were noted.

**Suggested crossing by the Rugby Club** - Cllr W Powell reported that he had written to Vincent Goodwin, PCC, following the recent visit to Gwernyfed Rugby Club with Cllr P Lewis and Ms Joanne Lancey of PCC Highways at the request of Club President, Vincent Stephens, and suggested to Mr Goodwin, that it might be beneficial for the Club if he was to visit the Club, with a view to supporting the Club's Active Lifestyles agenda. In particular, the adequacy and fitness for purpose of the changing facilities, which are in the Clubhouse - and across a dangerous County Road – are current issues that the Club would wish to explore.
