

Kirsty Williams AM and Minister for Welsh Assembly  
Government endorsement email & letter

19<sup>th</sup> December 2016

*“To whom it may concern*

*As the Assembly Member for Brecon and Radnorshire I am hugely supportive of the Bronllys Well Being Park and all of its proposed future work.*

*As you will be aware they intend to create an inspirational Park with Bronllys Hospital at its heart, the park will support a wide range of citizens and their needs, including the most vulnerable in the community. The project has also already brought together councils from the local communities to support the project, so a wider area can benefit from the Wellbeing Park.*

*I have met with the steering group on several occasions over the last few years and have been kept up to date as the project progresses. Indeed most recently I understand that they have received the notification that Bronllys Well Being Park (CLT) Ltd has been registered as a society.*

*I really hope that the Arwain application for the funding for a Development Officer is successful and allows the society to support taking the project forward.*

*Yours sincerely*
